

Alt Text Directions: Please provide a short visual description (approximately 15 words) that will be used by screen readers to make the image file you uploaded accessible.

Your visual description should convey the most important visual information in the image in approximately 15 words.

Please include (as relevant):

- the subject
- scale and spatial relationship of items
- color(s)
- people by name (if known) and prominent physical attributes (age, features, etc.)

Alt Text Examples:

A wooden splint molded to fit the shape of a leg with long vertical cut outs

Screen capture dotted with grey human silhouettes. A few appear black, with a short eulogy beside them.

Map of lower Manhattan with dark and light green outlining the island and bleeding into some streets
